MEMORANDUM FOR: Chief of Administration, DD/P

ATTENTION: [REDACTED] 25X1A9a

SUBJECT: Request for Government Shipment of Personal
Vehicle to [REDACTED] 25X1A6a

25X1A9a 1. It is requested that the personal vehicle of [REDACTED] 25X1A9a
[REDACTED] SR Division, be shipped to [REDACTED], at govern-25X1A6a
ment expense. This request is contrary to existent regulations
but recommended on the basis of area conditions.

25X1A6a 2. The [REDACTED] Theater Commander and the Chief of the [REDACTED] 25X1A6a
Station have stated that personal vehicles are essential for all
individuals in that Command. This decision is based on the following
factors:

a. Weather conditions are so severe that motor
transportation from home to duty station is essential.

b. Public transportation facilities in [REDACTED] 25X1A6a
are extremely limited and unreliable.

c. The scarcity of official vehicles in the area
necessitates the use of personal vehicles for official
and operational purposes.

3. The Table of Allowance for the [REDACTED] Station provides 25X1A6a
for four vehicles. As the station is in a developmental stage,
and does not have a full Table of Organization, only two Agency
owned vehicles are assigned. It is felt that the utilization of
this private vehicle for operational projects will be cheaper,
for the Government, than the purchase of an additional quasi-
personal vehicle. If a quasi-personal vehicle is procured, in
all probability, it will have to be sold for security reasons on
the individual's return to the States.

25X1A6a 4. The Chief of the [REDACTED] Station has requested that
25X1A9a the personal vehicle of [REDACTED] be shipped, at government
25X1A6a expense, to [REDACTED]. This request was made subsequent to an agree-
25X1A9a ment reached between the Chief of Station and [REDACTED] whereby 25X1A9a
[REDACTED] will use his personal vehicle for government duties
and will be reimbursed for all mileage driven, for official purposes,
at the rate of seven cents per mile. [REDACTED] agreed to this 25X1A9a
25X1A6a arrangement for the period of his two-year tour of duty in the
[REDACTED] Command.

5. It is hoped that this request may be processed as expeditiously
as is possible in order that the necessary arrangements may be made
for the subject car's transportation prior to 15 April 1954.
